The global coronavirus outbreak has created an increasing number of challenges to our industry. We realize that in this unique situation we find ourselves in now, it is critical that we make it possible for individuals that rely on us to be able to continue to progress professionally to help them to respond to the unique demands that they may be facing. The Malaysian Insurance Institute (MII) has been working to uphold the commitments we made to supporting our students and the industry.

In order to ensure continuity of study, students enrolled in our Professional Qualification Programmes namely **Certificate of The Malaysian Insurance Institute (CMII), Associateship of The Malaysian Insurance Institute Level 1 (AMII L1) and Associateship of The Malaysian Insurance Institute Level 2 (AMII L2)** will have an added feature of Virtual Classes for CMII and selected AMII L1 and L2 subjects.
