SALES & SERVICE TAX (SST)

Reference is made to the Sales & Services Tax (SST) which has been re-implemented by the Government of Malaysia with effect from 1 September 2018 at a rate of 6% and the expansion of scope of taxable services to cover provision of training in 2019.

We have been informed recently by the Royal Malaysian Customs Department that the services we offer as listed below are taxable services and subject to the Service Tax of 6%.

1. Qualification (class-based programmes only)
2. Training Courses
3. Conference, Seminar and Workshops
4. e-Learning Modules

In order to comply with the Royal Malaysian Customs Department's directive, we will be imposing the service tax on all applicable products and services as listed above. You may obtain the respective products and services fee with SST from our website www.insurance.com.my.

Should you require further clarification, kindly contact us at +603-2087 8882/3 or email us at customer-care@mii.org.my. You may also obtain further information on SST from the Royal Malaysian Customs Department's website at <http://mysst.customs.gov.my>.

Thank you for your continued support.

Best regards.
