Dear Valued Customers/Students

**ANNOUNCEMENT - UPDATES
REVISION TO THE REQUIREMENT FOR THE COMPLETION OF THE AMII / DMII
QUALIFICATION EFFECTIVE 2011**

Warmest greetings from MII.

Further to our earlier announcement with regards to the compulsory subjects in meeting the requirement for completion of the AMII / DMII qualification, please take note of the following revision:

With effect from January 2011, students are required to fulfil (via examination or exemption) the following compulsory subjects for AMII / DMII:

1. 105 Insurance Law
and
2. 109 Insurance Business and Finance

However, consideration is given for students who have passed via examination or have been granted exemptions for subject 72 Modern Business Practice and/or subject 32 Business Environment before January 2011. This will be considered as having satisfied the compulsory subjects requirement.

A transitional period is given for the consideration above until the **April 2012** examination session. Thereafter, MII will not accept any consideration and students will be required to adhere to the AMII / DMII completion requirements at the point of completion.

If you need further clarification, please contact the following personnel of the MII Examination Academic Unit at 03-2087 8882/3 during our office hours from 8.30 a.m. to 5.30 p.m.:
